Amenities

The Highlands is being built for those who cherish home, but relish time outdoors too. It's for those who want to squeeze fun and adventure out of the day, every day. An exciting array of amenities connects you with family, friends, and Mother Nature. Spend the morning kayaking across the lake or fishing from the shore with the kiddos. Meander, stroll, or charge at your own pace through wooded trails. Go for an afternoon cruise or a pulse-racing ride on the bike paths. Play a round of golf with new neighbors. Chill out or cool down with the family at the waterpark and lazy river.
